for this product! (Please note that the color shown in the video may no longer be available.) Come prepared with the TriZip pack from CamelBak&reg;. Triple zipper design. Quick attach pressure strap securely attaches the pack to the back of your vest while also pressurizing your reservoir. Mil Spec Antidote&trade; System redefines the ultimate delivery system:

-Quarter turn cap that is easily opened and secured without overtightening.

-Air light fill port that reduces the weight of the reservoir.

-QL Hydrolock&trade; provides easy to use single handed flow shut off with positive lever action.

-Big Bite&trade; Valve and cover provides unmatched flow rate and seals with no moving parts with a cover to keep it protected and clean.

-Low profile baffle design provides maximum stability with minimum stack height for operating in tight spaces.

Quick Link&trade; Quick disconnect with auto shut-off for easy refill. Multiple drink tube exit ports for routing the tube over the shoulder or under the arm. Fully adjustable Futura&trade; Harness is designed for carrying weight and can be adjusted. Air mesh on back panel. Separate 5 mm closed-cell foam insulation for reservoir compartment. Load bearing adjustable waist belt that can be removed to shed off a little added weight. Printed MOLLE webbing that is designed to simply clip things with ease. External side pockets for quick stashing. Hydration Capacity: 100 oz./3 L. Total Capacity: 31 L + 3 L. Fabric:

Body: 500D Cordura&reg; Fabric front panel and shoulder harness.
