for this product! (Please note that the color shown in the video may no longer be available.) The ultralight Exos 38 will be your best companion when you're trekking through miles of forest. Hydration compatible with internal sewn-in backpanel sleeve with clip attachment to accommodate up to three liters of hydration. At the top of both sides of the pack you will find H2O icons marking the routing points for your hydration tube.

Peripheral 6065 aluminum allow frame with an internal suspended cross strut providing excellent load carrying support. ExoForm[®]; sewn-in, EVA foam padded harness combines breathability and performance with seamless layered mesh covered foam and spacer mesh at the shoulders. ExoForm[®]; hipbelt features seamless layered mesh covered foam providing exceptional comfort, cushioning and load transfer. Single tool loop provides a stable and secure ice tool carry. Integrated FlapJacket[™]; lid deploys to provide main compartment protection from the outside elements. Cross functional, removable sleeping pad straps. Removable floating top pocket with an internal key clip and under-lid zippered mesh pocket for added storage. Multiple cord tie-off points for the quick attachment of additional gear. Osprey will repair for any reason, free of charge, any damage or defect in their product. If they are unable to perform a functional repair on your pack, Osprey will happily replace it.
