for this product! (Please note that the color shown in the video may no longer be available.) Don't let its name fool you - the Sombriolet doesn't like to brag, but its technical design kicks fierce sun and wind to the curb so that you can actually enjoy the outdoors. UPF 50+ SolarShield[®] sun protection. Ripstop nylon fabric increases durability and resists gnarly wear and tear. TransAction[®] headband and mesh-lined crown wick away moisture and feel soft against your skin. Flexible, circumferential piping along brim edge provides wind resistance. The foam-stiffened brim floats in case you drop your hat into an accommodating river or lake. External drawcord adjustment in back for proper fit. Removable chin cord with cordlock holds hat in place on windy days. 86% nylon, 14% polyester. Wash separately cold and dry flat. Size Chart:
