For riders putting ample time in the saddle, nothing beats the lasting comfort of the Pearl Izumi® ELITE Gel FF cycling glove. Soft, durable synthetic leather construction. 1:1 Gel padding creates a bridge over the hand's ulnar and median nerves to promote optimal riding comfort. Conductive synthetic leather on index and thumb allows touch-screen compatibility. Soft, low-profile thumb wipe material. Hook-and-loop closure at wrist. 1:1 fit minimizes palm bunching for a better fit and handlebar feel. Palm: 60% nylon, 39% polyurethane, 1% carbon fiber; Back: 52% nylon, 35% polyester, 11% elastane, 2% polyurethane. Imported.
