for this product! (Please note that the color shown in the video may no longer be available.) The powerful protection of the Dakine®; Titan Mitt will make you feel like you are as invincible as the mountain gods. Insulated snow mitt with an over the cuff design. The outer glove features Weathershield™; Nylon, which is a high stretch fabric for added comfort and smooth range of motion. The fabric is treated on the surface with a Durable Water Repellent (DWR) finish and coated on the backside for additional water repellency and durability. RubberTec™; palm is a polyester substrate with a polymer based high grip surface treatment applied to it. In addition to being waterproof, it has excellent abrasion resistance for long lasting durability. Thermoloft™; is a synthetic insulation with an excellent balance of comfort , warmth and value. It resists moisture in wet conditions providing loft retention and an air space that holds heat and keeps hands warm. The non-bulky nature of this insulation allows breathability when conditions are warmer. GORE-TEX®; insert has the highest combined levels of waterproofing, breathability, durability and softness available while providing optimum comfort and protection. 150g Tricot lining is a lightweight material that provides incredible dexterity and moisture management without the bulk. One hand cinch strap at cuff for easy opening and closing. Nose and goggle wipe thumb panels. Removable 280g 4x4 stretch fleece liner glove included. External waterproof zippered stash pocket. Chamois goggle wipe is located at the zippered pocket next to the thumb. Materials:

Shell: 95% polyamide, 5% polyurethane.

Palm: 65% PVC, 35% cotton.

Lining/insulation: 100% polyester. Wash cold with like colors, hang dry. Do not use powdered detergent, fabric softener or bleach. Do not iron, dry clean, machine dry.
