Keep your devices powered up on the go with the KNOMO London® 4000mah Battery. Battery cell is Lithium Polymer with a capacity of 4000mAh and two USB output ports. 5V/1.5A Input, 2x 5V/2.1A Output. An in-built 'Intelligent Charging' chip means the battery automatically detects the optimum power output for your device. Once charging is complete, the powerpack will automatically turn off. The battery will automatically turn on when connected to a power outlet, with the amount of power left in the battery being indicated by four white LED lights, activated by shaking. Imported.
