Oakley® adds fuel to the fire with the GasCan sunglasses. Lightweight O MATTER® frame material offers premium comfort and superior stress resistance. Sculpturally integrated hinge mechanisms with dual cam action. Wrapped frame geometry fits medium-to-large faces. Iridium® coating and lens tint reduces glare and heightens contrast. High Definition Optics combines patented optics and Plutonite® lens material that provides 100% of all UVA, UVB, UVC and harmful blue light. Peripheral vision is maximized by XYZ Optics ™; an innovation that maintains visual clarity at all angles of view. Two lenses are cut from the curve of a single lens shield, then mounted in the frame to maintain the original, continuous contour. Oakley logo details at outer temples. Impact protection meets ANSI Z87.1 standards, and Three-Point Fit retains the lenses in precise optical alignment. Soft case included. Measurements: Temple Length: 120 mm Frame Width: 123 mm Lens Height: 32 mm Weight: 1 oz Lens Width: 51 mm Bridge: 15 mm This product may have a manufacturer's warranty. Please visit the manufacturer's website or contact us at for full manufacturer warranty details.
