for this product! (Please note that the color shown in the video may no longer be available.) Beacon is a mid-size, unisex frame with a rectangular, boxy shape and subtle surface design features that make it an all around, style-driven, performance piece. Injection molded out of TR-90® for maximum weight reduction, flexibility and comfort, Beacon features recessed Variflex™ nose pads buried in the bridge to secure and comfortably anchor the frame in place. Wrapped and raked with 8.25 base curve lenses, Beacon supports Kaenon's revolutionary SR-91® lens material and their proprietary Glare 86® polarizing element. SR-91® combines the crisp optical acuity of the finest glass lenses, in an ultra light weight, impact-proof lens that filters out all harmful UV and Blue light. Heavy duty, non-corrosive, five-barrel, stainless steel hinges make Beacon durable and functional. G-12™ (12%) Darkest grey lens (blocks 88% of visible light). Performs best in bright, full sun conditions. Grey lens eliminates glare wherever it exists and dramatically improves your visual acuity. C-12™ (12%) Darkest copper lens (blocks 88% of visible light). Performs best in bright, full sun conditions. The Copper tint is specifically developed to enhance color contrast, depth perception and detail recognition. Measurements: Temple Length: 119 mm Frame Width: 133 mm Lens Height: 31 1⁄2 mm Weight: 1 oz Lens Width: 52 1⁄2 mm Bridge: 12 1⁄2 mm   This product may have a manufacturer's warranty.
