for this product! (Please note that the color shown in the video may no longer be available.) With its elegant lines, scripted metal inlay on the temples, and 5-barrel metal hinges, the Arlo is perfectly suited for any uptown excursion or outdoor adventure. Italian crafted TR-90 injection-molded frame is strong yet flexible. Ultra-grippy recessed Variflex® nose pads buried in the bridge securely anchor the frame to your face. SR-91® lens material combines the crisp optical acuity of the finest glass lens, in an ultra light weight, impact-proof lens that filters out all harmful UV and blue light. G-12®; Darkest grey lens (blocks 88% of visible light). Performs best in bright, full sun conditions. Grey tint eliminates glare wherever it exists and dramatically improves visual acuity. Copper tint is specifically developed to enhance color contrast, depth perception and detail recognition. C-12®; Darkest copper lens (blocks 88% of visible light). Performs best in bright, full sun conditions. RX-adaptable lenses. Made in Italy. Case included.
