It's all or nothing at this point, and when you're in that terrible light you've still got to give it your all. Go for the gold with the Voyager Lens from Zeal Optics®. Pair it with the Zeal Optics Voyager goggles. Rimless design offers superior visual clarity. Low Light Clear plus Sky Blue Mirror lens provides the highest level of light transmission, allowing for safe riding in the worst visibility. Blue flash mirror helps to keep your eyes comfortable by cutting low level glare off the snow. Anti-Fog infused lens process virtually eliminates fogging. High Density Lens technology. Optimum® Lens Features:

Optimum Clear plus Bluebird Mirror: These lenses provide the highest level of light transmission, allowing for safe riding in the worst visibility. The blue flash mirror helps to keep your eyes comfortable by cutting low level glare off the snow.

Optimum Metal: These lenses keep you protected on bright, sunny days and offer great contrast when the sun disappears. The metal mirror helps reduce glare off the snow and keeps your eyes comfortable. 100% UV protection. Helmet compatibility. Imported.
