Is the glare killing your game today? Get back into your groove for a winning game with the help of the Asian Slip™ Interchangeable sunglasses from Tifosi®. Designed to improve your game. The Golf/Tennis™ lens is neutral in color, making it great for full sun so that you can quickly spot your ball in flight. The EC™ (Extreme Contrast) lens filters blue light and was designed as a green-reader, helping you to detect subtle breaks in the green as you putt. Overcast conditions call for a lens that offers great contrast, like the AC Red™ lens. Grilamid TR-90 frame construction for optimal durability and resistance to chemical and UV damage. Shatterproof, decentered polycarbonate lenses help to minimize distortion and sharpen peripheral vision. Glare Guard™ reflective lens coating helps reduce eye fatigue. 100% UVA & UVB Protection. Hydrophilic rubber nose pieces and adjustable temples. Lens cutout allows for ventilation and anti-fog. Fits small to large. Asian fit features modified lens shapes, frame angles, and nose pieces for a better fit. Includes a zippered hard shell case and cleaning bag. Imported.
