This updated aviator is a superior choice for wind, sun, glare and UV protection as it covers the complete periphery of the eye. Pure titanium frame with acetate inserts and a glossy finish. MauiGradient lenses features a darker coating at the top that gradually gets lighter moving down the lens. Sunlight is filtered out for a irritation free wear. The Small Kine features these lens options (note: all colors may not be in stock):

• Neutral Grey Lens offers contrast and the highest available light reduction. Suitable for all light conditions, especially bright, direct sunlight.

• HCL® Bronze Lens is perfect for low-light conditions or for those who like a subtle bronze hue for everyday wear. Offers excellent contrast. MauiPure™ is the lightest weight choice for long days in the sun. Scratch and impact-resistant, these injection molded lenses are the crispest optics next to glass. CLEARSELL® Scratch Coating: A proprietary, silicon-based hard coat that protects both sides of the lens against scratching. Six-base lens curve. Anti-corrosive traditional hinge. A double bridge design with adjustable, non-slip silicone nose pads. Compliments smaller to medium face shapes. Maui Jim hard case and carrying bag included. Imported.
