for this product! (Please note that the color shown in the video may no longer be available.) Be the cool and adventurous one with the Roan sunglasses from Native Eyewear®. N3 lenses minimize haze so you get greater clarity, color and contrast. Co-injected Rhino-Tuff® air frames are a proprietary high performance thermoplastic material, which is extremely lightweight yet durable enough to withstand high velocity collisions and temperature extremes. Mastoid Temple Grip™ ensures the temple ends hug the mastoid bone (behind the ears) which allows for a secure and comfortable fit. Proprietary composition of Cushinol™ at temples and nose pads create a non-slip fit that keeps sunglasses in place during athletic activity. Cam-Action Hinges quickly lock into position to get you ready for action. Best fits a medium to larger profile. Hard case and storage bag included. Imported.
