Tifosi Optics® gives you the edge with the Z87.1 Talos Tactical Model. This model has been member tested and recommended by the National Tactical Officers Association. Interchangeable lenses included:

• HC Red® (Tactical): 41.4% light transmission.

• Smoke (Tactical): 15.4% light transmission.

• Clear (Tactical): 95.6% light transmission. Light and durable Grilamid TR-90 frame material resists chemical and UV damage. Fully adjustable nose pads allow a closer fit, limiting slippage and maximizing comfort. Hydrophilic rubber ear and nose pads increase grip the more you sweat to reduce slipping. Adjustable ear pads permit a custom fit for optimized comfort and performance. Open frame lenses. Vented lenses increase airflow to prevent fogging and help keep you cool. Optically decentered lenses eliminate distortion and prevent distracting magnification. Glare guard eliminates necessary glare and reduces eye strain and fatigue. Scratch resistant polycarbonate lenses are constructed to be shatterproof. Fits medium to extra-large. Includes a zippered hard shell case and a microfiber cleaning bag. All Tifosi lenses provide 100% protection from all harmful UVA & UVB light rays. Imported. This product may have a manufacturer's warranty. Please visit the manufacturer's website or contact us at for full manufacturer warranty details.
