Let the sublime style of the Baby Beach from Maui Jim[®] make the everyday worries wash away with the crashing shore. PolarizedPlus² Technology blocks glare and UV from all angles, manage blue light, and then boost colors for unmatched color, clarity, and contrast. Proprietary MauiGradient Lenses allow an appropriate amount of light to be filtered through certain areas. Maui Evolution[®] lenses fuse the best qualities of glass and polycarbonate lenses. Offering superior optics, scratch resistance, and impact resistance in a lightweight high-index package, Maui Evolution enhances color with a patented lens treatment. Lens options (please see color name):

- Neutral Grey Lens offers contrast and the highest available light reduction. Suitable for all light conditions, especially bright, direct sunlight.
- HCL[®] Bronze Lens is perfect for low-light conditions or for those who like a subtle bronze hue for everyday wear. Offers excellent contrast.
- Maui HT[®] High Transmission Lens is suitable for variable and low-light conditions. CLEARHELL[®] Scratch Coating: A proprietary, silicone-based hard coat that protects your lenses against nicks and scratches. Titanium frame material is lightweight and comfortable. Double-bridge with silicone nose pads. Anti-corrosive hinge. Lens and frames are saltwater safe. Rx availability varies by style. Carrying case included (due to updates, case may appear different from picture).
