for this product! (Please note that the color shown in the video may no longer be available.) The sporty sophistication of the Flyer from SunCloud Polarized Optics® is the perfect complement to an active lifestyle. Glare-eliminating polarized lenses create superior visual clarity, definition, color transmissions, and optical comfort. Lightweight polycarbonate lens material offers high impact resistance for enhanced protection. Eight base lens curvature provides added protection from annoying side glare and environmental elements such as wind, dust, and particulate matter. The Flyer comes with these lens options. (Note: All lens options may not be in stock.)

• Gray creates the truest transmission of natural colors.

• Brown offers enhanced contrast while maintaining the accuracy of color transmissions.

• Rose provides an optically comfortable and pleasant lens. Grilamid TR-90 nylon frames create a quality fit, flexibility, and lasting durability in all environmental conditions. Megol nose and temple tips comfortably hug the face in light activity or humid conditions. Custom metal Suncloud logo plate on side temples. Offers 100% protection from harmful UVA and UVB rays. Microfiber cleaning and storage bag included. Measurements: Temple Length: 123 mm Frame Width: 135 mm Lens Height: 39 mm Weight: 0.66 oz Lens Width: 73 mm Bridge: 15 mm This product may have a manufacturer's warranty. Please visit the manufacturer's website or contact us at for full manufacturer warranty details.
