for this product! (Please note that the color shown in the video may no longer be available.) Tifosi polarized lenses are injected with polarized material and decentered for enhanced clarity. Polarization blocks light reflecting off water, and other horizontal surfaces, to minimize glare that causes eye strain. These lenses are ideal for water sports, driving and casual wear. Smoke and Brown lenses are best for when the sun is high and the sky is clear. Sunny-to-cloudy days call for the AC Red™ lens, while the Yellow lens brightens an overcast day. Hardy grilamid TR-90 frame material ensures lasting durability and resistance to chemical and UV damage. Shatterproof, decentered polycarbonate lenses help reduce distortion and sharpen peripheral vision. 100% UVA and UVB protection. Hydrophilic rubber nose pad and adjustable temples. Fits small to medium. Good fit for women. Direct Fit™ lenses can accommodate most single-vision prescriptions into the entire lenses, resulting in distortion-free vision without visible lines or use of adapters. Includes a zippered hard case. Imported. Measurements: Temple Length: 125 mm Frame Width: 143 mm Lens Height: 40 mm Weight: 0.98 oz Lens Width: 58 mm Bridge: 14 mm This product may have a manufacturer's warranty. Please visit the manufacturer's website or contact us at for full manufacturer warranty details.
