The Lowdown Slim, from Smith Optics®; is definitely cool enough to hang with its big bro. Made for smaller faces, the Slim is a scaled down version of Smith's popular Lowdown shades. Evolve frame material is durable and flexible, perfect for a variety of activities. Carbonic TLT (Tapered Lens Technology) corrects visual distortion by progressively tapering the lens from the optical center towards the outer edges. Six-base lens curve. 100% UV protection. Hydrophilic Megol nose and temple pads for added comfort. A medium fit with medium coverage. Smith Optics logo details at outer temples. Storage bag included. Imported. Measurements: Temple Length: 134 mm Frame Width: 137 mm Weight: 1 oz Lens Height: 41 mm Lens Width: 53 mm Bridge: 14 mm This product may have a manufacturer's warranty. Please visit the manufacturer's website or contact us at for full manufacturer warranty details.
