for this product! (Please note that the color shown in the video may no longer be available.) The epitome of less is more comes through in the classic design approach of the Spindle S5 from Kaenon Polarized®. SR-91® lens material combines crisp optical acuity, an ultra light weight, and superior strength and impact resistance in one complete package that also filters out harmful UV and Blue light. The Spindle S5 features these lens options (note: all lens colors may not be in stock):

- G-12® (12%): the darkest grey lens that blocks 88% of visible light). Performs best in bright, full sun conditions.
- C-12® (12%): the darkest copper lens that blocks 88% of visible light). Performs best in bright, full sun conditions.

Eight base wrapped lens shape outlined by soft sides. Lightweight metal frames. Spring-loaded custom built single spring hinges. Adjustable Air Bag® nose pads for a comfortable fit. Variflex® rubber pillows embedded in the temple tips. Protective metal case and micro cleaning cloth included. Dimensions:
