Get the support you need to go the extra mile in this CW-X® Stabilyx™ Knee Support! The Support Web™ provides targeted support to the lower back, core, knee joints and surrounding muscles for greater stability and power. Lycra®; spandex provides muscle support and four-way stretch for a wider range of movement.

The taping support that is commonly applied to injured muscles is harnessed here to uninjured muscles to keep them healthy. 70% polyester, 30% spandex.

Support Web: 80% nylon, 20% Lycra®; spandex. Machine wash warm, hang dry in shade. Imported.
