for this product! (Please note that the color shown in the video may no longer be available.) The Scarpa® Vapor V offers the perfect combination of performance, precision, and comfort. A performance-driven rock climbing shoe designed for adventures ranging from face climbing on dime edges, to jamming splitter cracks, to smearing on slabs. Suede and Lorica® microsuede upper creates stretch but retain structural integrity in areas of high stress and flexion. Designed to stand on very small holds. Bi-tension active randing distributes power to the front of the shoe without sacrificing your toenails. Heel construction offers a secure, supportive fit, while maintaining all-day comfort. Vibram® XS Edge rubber is ideal for climbing on thin edges and cracks. Flexan midsole. FR last. Made in Italy. Measurements: Weight: 7 oz Product measurements were taken using size 45 (US Men's 11.5), width D - Medium. Please note that measurements may vary by size.
