The dedicated, technical backcountry Kode 32 pack from Osprey® will not only hold your gear but all the essentials you need for a rad day on the mountain. Vertical snowboard carry system utilizes a reinforced lower strap on the front panel of the pack and a stowable strap on the left shoulder harness that'll extend across the snowboard to the right side harness. Diagonal ski carry system utilizes one side of the bottom front panel webbing and secures on the opposite side of the top front panel webbing. Swift release buckles release quickly with thumb and forefinger. Hipbelts zippered pockets allow for one hand usage when stashing smaller items quickly. Reinforced hipbelt wing provides quick horizontal snowboard carry across the backpanel of the pack. An internal zippered backpanel hydration compartment with reservoir hanger and a fully insulated dual zippered harness router provide for hassle and ice free hydration. Hydration hose through the right harness strap for on-the-go water management. Single ice tool loop at the bottom works in conjuction with the upper ski carry strap to provide stable and secure ice tool carry. Stowable helmet carry system compartment unzips from the top for quick stowing. Top zippered stash pocket for small valuables. Fabrics:
